

RINGGOLD ELEMENTARY SCHOOL NORTH

Virtual Learning Expectations

Respectful	Accountable	Motivated	Safe
Use appropriate volume and academic language.	Join the virtual lessons on time using the class login.	Students should have ALL materials readily in front of them, within reach. Chromebooks should be charged and ready for use.	Follow the daily schedule for virtual learning.
Be kind and courteous to other students.	Students should keep their mics on mute unless directed by their teacher in the virtual learning environment.	Students should have an appropriate and distraction-free place to work.	Follow the teacher's instructions during virtual learning.
Be polite and patiently wait for your turn.	Students should only use the chat feature for learning purposes.	Students must have their cameras on at all times unless it is independent work time or directed by the teacher.	Consider your surroundings and background during virtual lessons -- these things are visible to others
Respect/Honor others' privacy.	Participate in the session for its intended purpose - follow all expectations and guidelines set by your teacher.	Students should not have toys, pets, stuffed animals, family members, or other items in their work area.	Students need to log onto their Chromebook with their assigned Google account.
Students should not eat during instruction. Breaks will be provided for snacks and lunch.	Students need to be dressed in school appropriate attire, and ready to learn at the start of the academic day.
