

10/26/18

Dear Parents/Guardians,

Once again Ringgold Elementary School South would like to offer After School Tutoring for the students in Grades 3 & 4. This is a group tutoring session and is not individual tutoring. Certified teachers will work on skills being presented within the general education curriculum for the given week as well as adjusting to the needs of the students present.

Tutoring will begin immediately after school on Tuesdays and Thursdays from 3:50 to 4:50 p.m. There is no transportation for this program. Students will be provided with a light snack during the session. There is no cost for participation but space is limited.

If you are interested in your 3<sup>rd</sup> or 4<sup>th</sup> grade student participating in the 2018-19 After School Tutoring Program, please return this form to your child's teacher as soon as possible. Groups fill up quickly so don't delay.

Sincerely,   
Sherry L. Black
