Dear Ringgold Parents and Guardians,

The high school administration was made aware of a rumor regarding a student-created list of classmates targeted for harm. An investigation into the rumor began immediately and is ongoing. High school administration, in conjunction with Ringgold School Police, have thoroughly investigated these rumors to be unfounded.

Irresponsible spreading of this rumor on social media only creates more anxiety about a situation that is not true. It hinders the investigation and we ask you to please refrain from spreading inaccuracies online.

The Ringgold School District is committed to providing the safest environment possible for students to learn and grow. We appreciate those who reached out to us, and look forward to placing these rumors to rest and moving our focus back to helping every student reach their fullest potential.

If you have any further questions, please contact the Ringgold High School at 724-258-2200.

Sincerely,

*Dr. Gregory M. Saraceni*
