Dear Ringgold Cyber Academy Students and Families,

Thank you for your patience as we make the final arrangements for our students to begin their year in the Ringgold Cyber Academy. This letter provides important information regarding usernames and passwords, as well as links for virtual orientation meetings that will occur tomorrow.

To login to the Ringgold Cyber Academy, please go to: <https://csi.iu1.org/>

Students will see the Fusion Cyber Solutions symbol at the top left hand corner of the screen, as well as a login screen that will prompt for a username and password.

The **USERNAME** for each child is the first and last name, all one word and lowercase. For example, if your name is Jane Doe, your username is janedoe.

The **PASSWORD** for each child is the last name followed by the last 4 digits of the child's PA Secure ID number. For example, if your name is Jane Doe, your password is doe1234.

The PA Secure ID for each child can be located in the Parent Portal under the biographical information. It is the number labeled **STATEPRID** and appears under the student's name. Please note that this number is different from a student's lunch number.

Ms. Meghan Cottle will host virtual meetings on Tuesday, September 1, for students and families to review orientation information.

Elementary students and families, grades K-4, will meet with Ms. Cottle at 9:30am on September 1, using this link: <https://iu1-org.zoom.us/j/94536665393>

Secondary students and families, grades 5-12, will meet with Ms. Cottle at 10:30am on September 1, using this link: <https://iu1-org.zoom.us/j/93608003328>

Thank you again for your patience and support. We look forward to working in collaboration with students and families to make this year a success for every child.

Sincerely,

Shannon Crombie
Director of Curriculum
