Dear Parents and/or Guardians of Ringgold High School Students,

Our school staff has been informed of some difficult recent events in our community, including the news that a student at Ringgold High School was hospitalized after an off-campus accident yesterday afternoon. Our thoughts and support go out to the family members and friends during this time. Members of the school's Crisis Response Team and our guidance counselors are available to help students and staff in dealing with traumatic events.

At this difficult time, we ask that you please respect the privacy of the families.

If there is any further support we can provide to your student or your family, please feel free to call the High School at: (724)258-2200.

Sincerely,

**Jason Minniti**  
Principal
