April 20, 2021

Dear Class of 2034 Parents/Guardians,

We are excited to be sending you this letter to inform you that Kindergarten registration will start the week of April 26, 2021. This year, we are providing individual registrations that will ensure that we have appropriate social distancing and can continue to implement the strict mitigation protocols that Ringgold School District has in place. The health and safety of our incoming students, families and of our current staff is always our foremost priority. During the registration visit, you and your child will meet with a Ringgold School District School Counselor who will assist you as you complete the registration process. The School Counselor will also be able to answer any questions you might have regarding the kindergarten experience. Before you select an appointment date, please gather the required documents and bring them with you to the school.

- Birth Certificate (must be 5 years of age on or before September 1, 2021)
- Current Immunization records
- 2 forms of Proof of Residency (must show name, address, and current date, within the last three months) such as mortgage statement, lease/rental agreement, utility bills
- Masks are to be worn entering the school and during registration

Please choose a date and time by using the links below to meet with the counselor at the school. Registration should take no more than 30 minutes to complete, and your child will receive a learning toolkit to use over the summer months. Our goal is to provide a positive experience for your child as they begin their school career.

We look forward to meeting your child and welcoming your family to our school.

Sincerely,

Mr. Ference, Principal RESN
Dr. Sherbondy, Principal RESS
