

RMS BAG DRIVE

FOSTER L♥VE PROJECT

LINKING LOVE TO FOSTER CHILDREN AND THE FAMILIES THAT CARE FOR THEM.

Each year, more than 15, 000 children are served through the foster care system in Pennsylvania alone. Many of these children are taken to a foster home with no belongings or a few items thrown into a trash bin. The Foster Love Project provides placement bags to be given to children at the time of transition. We believe in giving them a good quality bag with new belongings to support that neither they nor their belongings are disposable.

**RMS will be collecting items for placement bags
October 28th-December 9th.**

**Only COMPLETE Bags with the contents listed below OR Gift Cards
will be collected!**
