Technology Department

Kevin McCabe
Director of Technology

John Sandis
IT Technician

Kris Bezy
IT Technician

Nikki Mathews
Administrative Assistant
for Technology

The Ringgold School District Technology Department would like to offer our families the option to purchase a non-refundable repair benefit for \$25.00 (\$75.00 cap for families) which will allow for the repair of the Chromebook without facing the cost at face value. This added benefit is a ONE TIME USE per school year. If your child does not use the benefit during the current school year, it will carry over to the next, additionally if your child does not use the benefit and decides to purchase the Chromebook during the senior year buyout, it will be deducted from the buyout price.

Please note that a “repair” is for one part. For example, if both a keyboard and screen need to be replaced, the repair benefit will only cover the cost of one item. It also does NOT cover a full replacement.

Following the use of the \$25.00 added benefit to make a repair, any future repairs will require payment for parts of the device based on current parts cost. These payments are considered an obligation and must be paid before the student graduates.

This added repair benefit is optional, but should you decline, all repairs will be billed at current parts cost to the responsible party who has signed the Chromebook Usage Agreement Form.

Payment can be check, cash or money order payable to Ringgold School District.

The completed form and payment should be placed in an envelope, sealed and must have the student’s first / last name, and student ID# on the front of the envelope and turned in to the school’s main office.

All repair / replacement determinations will be made by the technology department.

Most Commonly Replaced Current Part Costs (subject to change)	
• Screen	\$40.00
• Touchscreen	\$100.00
• Motherboard	\$100.00
• Keyboard	\$60.00
Non-Covered Items Replacement Costs	
• Full Chromebook replacement (incl. license)	\$230.00
• Chromebook AC Adapter	\$30.00
• Case	\$20.00

**RINGGOLD SCHOOL DISTRICT
CHROMEBOOK REPAIR BENEFIT FORM FOR 2022-2023**

Students Name: _____

Grade Level: _____

Building: _____

Amount Enclosed: _____

- Cash
- Check
- Money Order

Please place the completed form along with payment inside a sealed envelope and label with the student's name and student ID# (lunch#).

If you have more than 3 children in your family, Ringgold School District is placing a cap of \$75.00 for a family. If this applies to your family, please list all students on this form and enclose in an envelope with your \$75.00 payment.

Payments can be sent to the Administration Office at 400 Main Street, New Eagle, PA 15067 or you can send with you child to take to the school office.

Any questions can be directed to the Technology Department e-mail, rsdhelpdesk@ringgold.org
