April 5, 2020

Dear Ringgold School District Family,

Our first week of virtual learning has officially come to a close and on behalf of the Board of School Directors and the entire Ringgold staff, I want to express my sincere thanks for your support, patience, efforts and enthusiasm. We had enormous challenges to overcome this week, and we did it, together. I hope you will join me in taking great pride in our District. Everyone - teachers, students, parents, support staff, and administrators - embraced our new "normal" to create true learning opportunities for our students and for each other.

Some other reminders:

- As was previously communicated, we will observe Spring Break next week beginning Friday, April 10 and classes will resume Wednesday, April 15. While no new instruction will be delivered and teachers will not be meeting online with students, I want to remind you that there are a number of learning resources available on our Google classroom pages to help students practice or reinforce skills during the spring break. In addition, please visit our website early next week to download resources and activities your student can complete over Spring Break.
- Our food distribution program will continue on a modified schedule during Spring Break. Please visit our website for detailed information regarding these changes.
- We continue to identify students who need a device or internet access. Distribution of devices will continue and we appreciate your patience. Just a reminder that families who need access should call (724) 997-5230 or email us at [rsdhelpdesk@ringgold.org](mailto:rsdhelpdesk@ringgold.org). Using these venues will expedite the process in ensuring all have devices.

Since Governor Wolf's announcement earlier this week that schools will remain closed for an undetermined amount of time, we have not received any additional information as to when the return to our physical campuses might occur. We will continue to communicate information with you as it becomes available.

We would like to personally thank you, Ringgold School District family, for your active interest in your student's education and for partnering with us during this unprecedented time. I can tell you with confidence that the entire faculty and staff are grateful, and we can't wait to welcome you back to school just as soon as possible.

Sincerely,

Randall Skrinjorich  
Acting Superintendent
