

Dear RHS Students and Families,

We hope you and your families are well and taking care of yourselves. It certainly has been great to hear from so many of you, and we appreciate the communication during this time of isolation and uncertainty. It is our connectedness that makes us feel the closeness and camaraderie we all once shared together at Ringgold High School. It is not the building that kept us close or built the pride and love we have for one another. Those continue even though we are not physically together.

We regret that we had to cancel the 2020 Junior-Senior Prom which was scheduled for May 21, 2020. I am sure the news was disappointing, but not surprising to you as we move through these changing times. This decision was not made lightly or without anguish. As always our first concern is your safety and well-being.

Due to the uncertain nature of the COVID-19 pandemic and the social distancing requirements in place by the government, we cannot be certain when we will be permitted to resume assembling in large groups.

We recognize how disheartening this is for you and for the Class of 2021 officers who have put a lot of time, effort and thought into planning this year's prom. Any monies from fundraising for prom expenditures will be kept in the Class of 2021 account for future events.

Remember that Ringgold High School remains committed to ensuring the health and safety of our students, staff, and community.

Best regards,
Jason Minniti
High School Principal
